CREEKSIDE COLLEGE
CAROLINE SPRINGS

MESSAGES FROM THE PRINCIPAL

Peter Dalinkiewicz

I would like to thank parents, students and teachers for their hard work in the second half of term 3. Finishing off the winter months can be a bit of a grind, and no doubt we are all looking forward to some nicer weather. The school has continued to be a busy place in the second half of the term. Each day there are new events, sports and excursions/incursions happening. There have been several highlights across the term including the Blachford Day/Daffodil Day Bake sale. It is fantastic to see the school community come together for a great cause. In addition to this, I want to thank staff and parents who supported through book week and running the Father's Day stall & breakfast.

The school has been busy planning for Term 4. Throughout the course of the term, we will have some staff taking leave. To support this the school welcomes Georgia Merryweather who will be working across Prep and Grade 1. Further to this we would like to welcome back Leeza Thompson from family leave, who will resume part time as the Year 7-9 Assistant Principal. Leeza will share responsibilities with Katia Gerovasilis. We also welcome back Ange Petroski from family leave. Ange will move into the Year 1 team for the remainder of 2026.
Finishing up at the end of Term 3 is Josee Simard. Josee has supported the school over the last 2 terms in the grade 1 and in visual art. She has made an impact through her ability to develop positive relationships with students and teachers across the college. We wish Josee well returning to Canada.

R U Ok Day & Student Wellbeing

On Thursday the 10th of September the school celebrated R U Ok? Day. The College has long promoted the youth mental health and wellbeing. There are a number of activities planned for the day both during class time and in breaks.
The College has a strong pastoral care program beginning with classroom teachers/homegroup teachers. We also employ several leading teachers and learning specialists in the engagement and wellbeing space. Our Allied Health team consists of Psychologists, Speech Pathologists, Social Workers, Mental Health Practitioner and Art Therapist. Should your child need additional support please reach out to the school.

Road Safety

I ask that parents use the designated pick-up/drop off zones in the mornings and afternoons. Unfortunately, there has been a few instances when students are leaving cars outside of these designated areas, which is a safety issue.

Uniform

I ask for families to support the implementation of the school dress code. Please ensure your child is wearing navy blue track pants in P-6. In 7-9, there has been an uptick in incorrect PE uniform. Please ensure plain blue track pants/sports shorts are worn.

WELLBEING

Daniel Xuereb

As we wrap up a busy term, I want to reflect on one of its highlights — our school's R U OK? Day. It was wonderful to see students, staff and families come together to talk about the importance of checking in with one another, from classroom conversations to whole-school activities.

R U OK? Day is a good reminder that looking out for each other shouldn't be limited to one day a year. As we head into the holidays — a time that can bring both joy and added pressure — I'd encourage everyone to keep these conversations going at home.

> *"A conversation could change a life." That's the whole idea behind R U OK? — and it starts with one honest question.*

Checking in with family

Choose a good moment
A car trip, a walk, or a shared chore — pick a time free of distractions or time pressure.

Ask, then listen
"How are you really going?" opens the door. Give space to answer without rushing to fix things.

Notice small changes
Shifts in mood, sleep, energy or how someone engages with others can be early signs.

Show that you care
You don't need the right words — genuine interest and patience often matter more than advice.

How to ask R U OK?
A clear, practical guide from R U OK? for the whole family.

Wishing all our families a safe, restful and connected term break. Take the time to check in with the people around you — you never know how much it might mean.

SUB SCHOOL NEWS

K-2: *Michelle Lowry*

Thank you to our amazing Kinder, Prep, Year 1, and Year 2 families, students, teachers and ES. A huge congratulations to all students for their wonderful participation in Book Week. The creativity on display during our Book Week Parade brought stories to life. As we head into warmer weather next term, our SunSmart Hat Policy returns. Please ensure your child has their school hat packed and ready for Day 1. Enjoy your term 3 break. I look forward to welcoming you all back for our final term in 2026.

3-6: *Suzi Stojkov*

It's been another busy term across the sub school! Term 3 really sees our kiddos thrive and grow in their learning and this term was no exception. Well and truly in their routines, I am incredibly proud of each and every one of you and the gains you have made in your learning! We have also had lots of events this term, from our Year 3 and 4 excursions to the Werribee Zoo and Science Works to Year 6 Interschool Sport, the Year 6 Billy Cart incursion and Division Athletics to name just a few. At each key event our students engagement, participation and sportsmanship certainly shone through, well done kiddos! 👏

Lastly, the warmer weather is upon us, please ensure your child/ren have the appropriate school hat, uniform and, sun protection and water bottle ready for our return in Term 4.

Have a restful and wonderful break!

7-9: *Katia Gerovasilis*

It has been another busy and positive few weeks across the 7–9 Sub-School, with students engaging enthusiastically in learning both inside and outside the classroom.

Book Week was a particular highlight, with students taking part in a range of activities designed to celebrate reading and foster a love of books. It was wonderful to see students engaging with stories, exploring different texts and embracing the activities organised by our English team.

Our 7–9 students have also been involved in a range of incursions and excursions, extending classroom learning through hands-on experiences, expert presentations and visits to new environments. These experiences help students make meaningful connections between their learning inside and beyond the classroom, while fostering curiosity and independence.

3 YEAR OLD KINDER

(Duck & Fish Group)

This term, our three-year-old kindergarten children enjoyed a range of exciting and meaningful experiences, including a Drama Toolbox incursion and celebrating special person day (Father's Day).

During our Drama Toolbox incursion, the children were excited to explore their imaginations through pretend play. Across the two themes, Dinosaurs and Under the Sea, the children took on different roles, explored imaginative scenarios and discovered creative ways to express themselves. These interactive experiences encouraged the children to develop their confidence, creativity, communication and social skills while learning through play. The children enthusiastically embraced the opportunity to use their imaginations, work together and express themselves through movement, role-play and storytelling.

During the Father's Day celebrations, it was beautiful to see so many of our families join us for Father's Day. The children proudly performed special songs for their families and shared this meaningful moment with their loved ones. Families also enjoyed participating in special activities together, creating wonderful opportunities for play, connection and quality family time. The children proudly presented their dads with a special handmade gift, created with lots of love and care. It was a wonderful celebration of the special bonds between children and their families.

Overall, It has been a wonderful term filled with opportunities for connection, creativity, imagination and learning through play.

4 YEAR OLD KINDER

(Turtle & Frog Group)

Our 4-year-old children participated in The Flying Book worm incursion. The children were taken on a journey into the world of books, The children were encouraged to participate in a performance around stories and poems by becoming some of the characters and acting out the stories.

At Creekside Kindergarten we participate in a transition to school program that supports children to smoothly and comfortably be immersed in a range of tasks and environments to help children feel comfortable and ready for school. This week we were very excited to participate in a P.E class with Mr S. During the session children moved through the school, explored new environments such as the gym and followed a range of instructions to participate in physical activity. They had so much fun! Some feedback from the children "I want to go back to P.E." "Are we going next week?" Mila Z. We are all getting ready for Prep!

We celebrated R U OK day on Thursday the 10th of September! We had little discussions throughout the day about what it means to be okay or not.

PREP

On the 4th of September the Preps were excited to welcome a special person onto the oval to celebrate Father's Day with some fun ball games. The students enjoyed playing with hula hoops, basketballs, soccer balls, dodgeballs and footballs. It was such a special and exciting experience for our Preps and it was beautiful to see the joy on their faces when their special person arrived. The students had an amazing time and are still talking about how much fun they had!

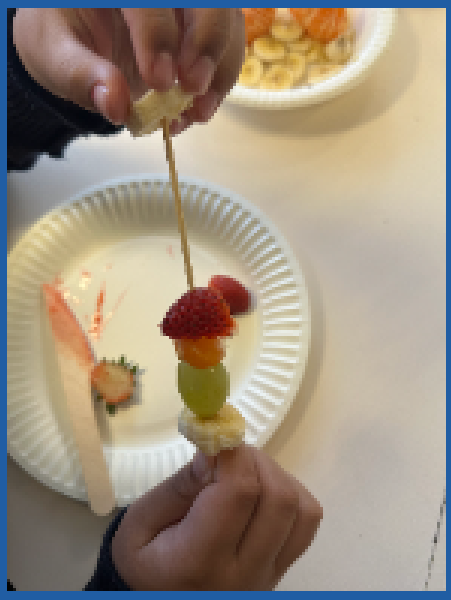

GRADE 1

In writing, our Year 1 students have been exploring procedural texts! To bring their learning to life, they followed step-by-step instructions to create paper giraffes, paper bag kites, fruit skewers, and delicious fairy bread.
The students had a blast learning how procedural texts are structured, focusing on how action verbs guide each step of the process.

3. ~~Slide the fruit on the skewers~~
4. 3. Cut the Strawberry.
4. Slide the fruit on the skewers.
5. Enjoy your fruit skewer's.

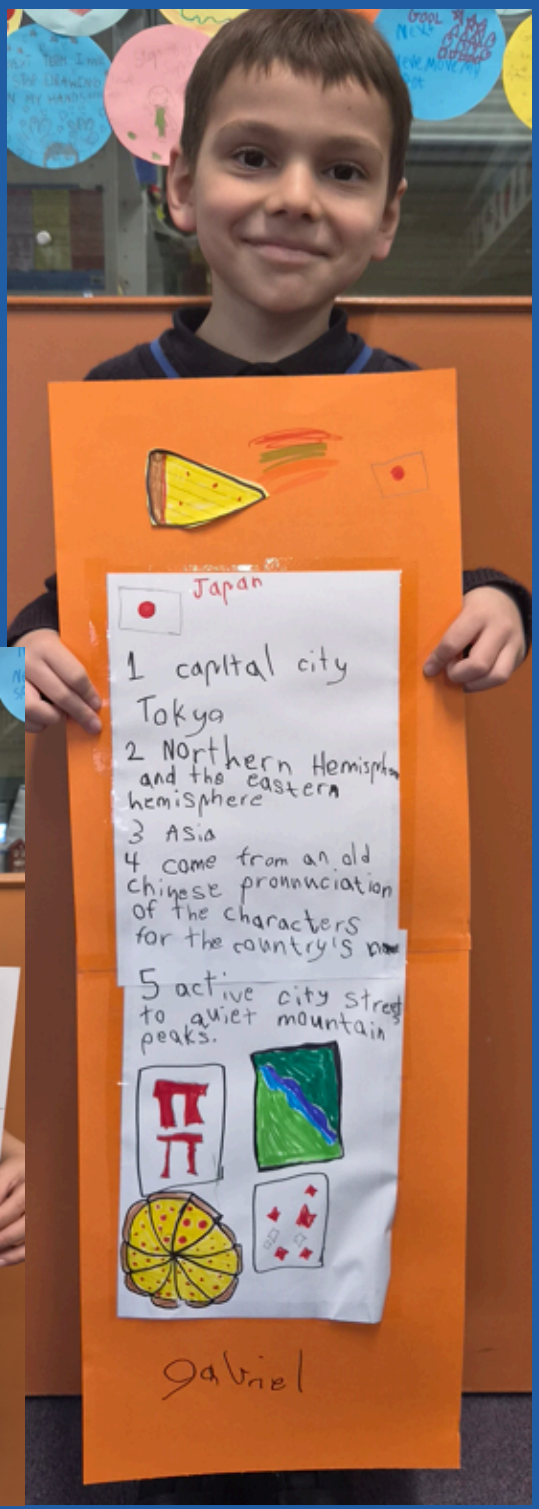

and whash Your hand.

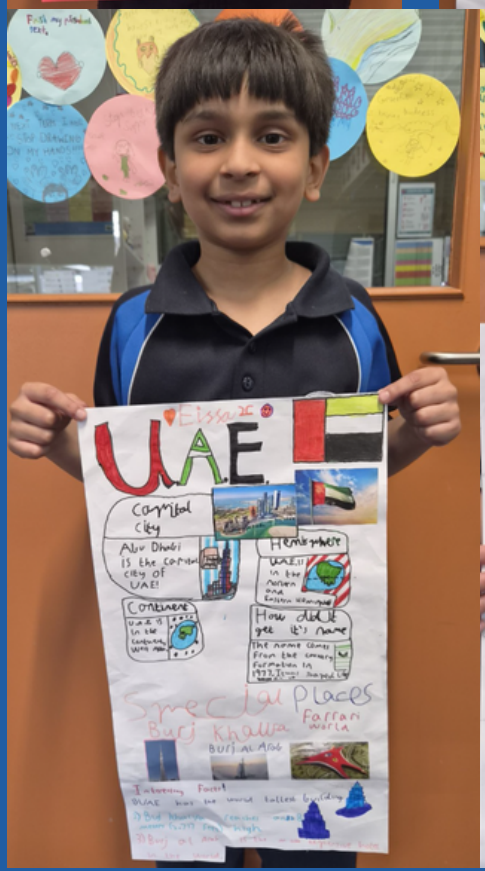

GRADE 2

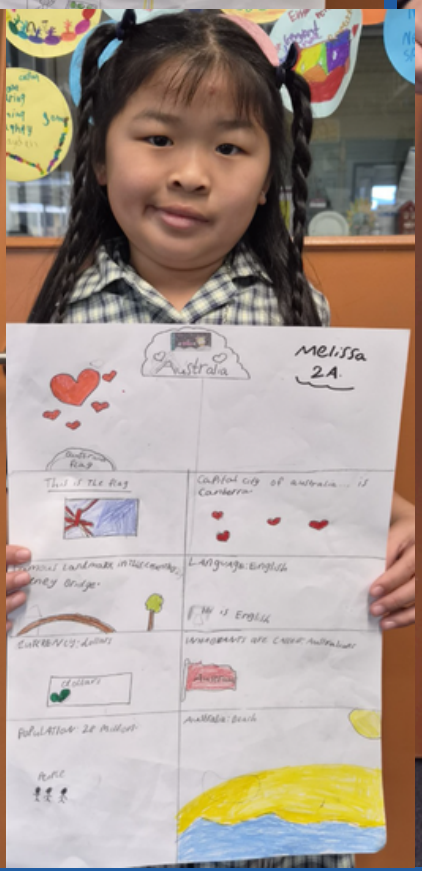

Grade 2 students have been busy becoming geographers this term as we begin our new Geography unit in Humanities! Students have been exploring interactive maps and globes, locating continents, countries and Australian states, and developing an understanding of how places can be represented in different ways. They have enjoyed investigating countries of their choice and researching special places, discovering what makes these locations meaningful and important to the people who live there.

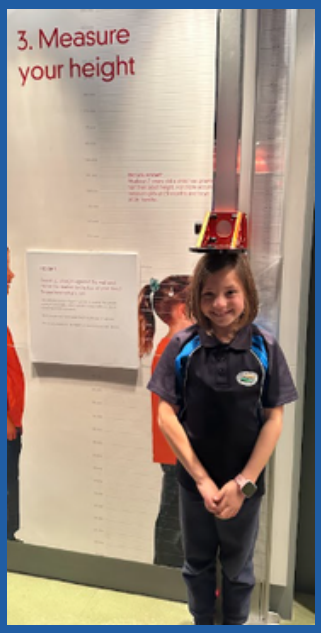

GRADE 3

The year 3's went on an excursion to Science Works where they got to explore the sportswork exhibition, think ahead ehibition and Thunderdome! The students enjoyed the day and learnt about the creation of weather, evolution of technology and sports through science.

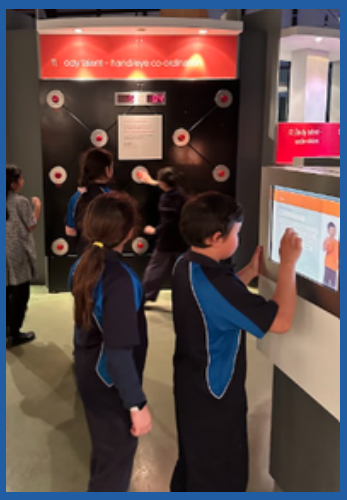

GRADE 4

🦁 Grade 4 Visit to Werribee Open Range Zoo 🦒

The Grade 4 students had a fantastic day exploring Werribee Open Range Zoo! The excursion provided students with an exciting opportunity to extend their classroom learning and discover more about African animals, their habitats and the adaptations that help them survive.

A highlight of the day was travelling on the safari bus, where students were able to see animals such as giraffes, zebras, rhinos and antelopes roaming across the open-range environment. Students enjoyed observing the animals up close and learning interesting facts about how they live and survive in their natural habitats.

Throughout the day, the Grade 4s demonstrated wonderful curiosity and enthusiasm, asking thoughtful questions and making connections to their learning at school. It was a memorable day filled with plenty of learning, exploration and, of course, some amazing animals! 🦏🐾

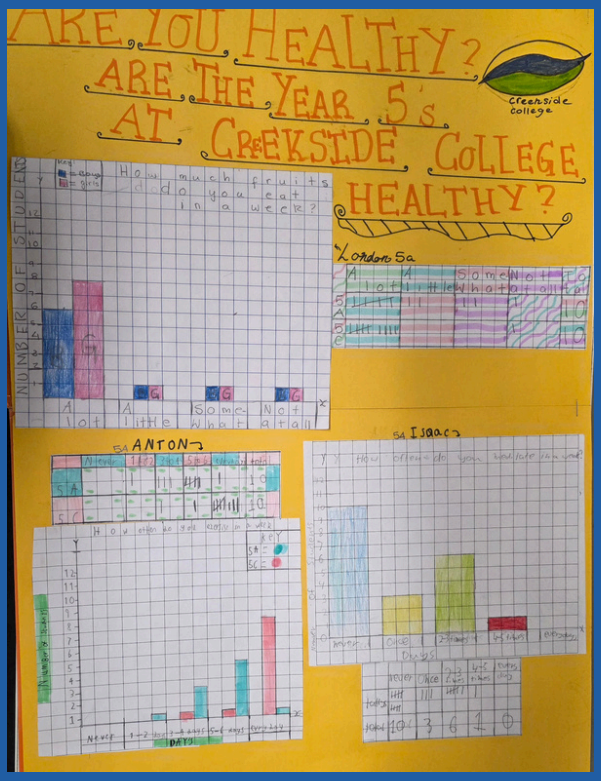

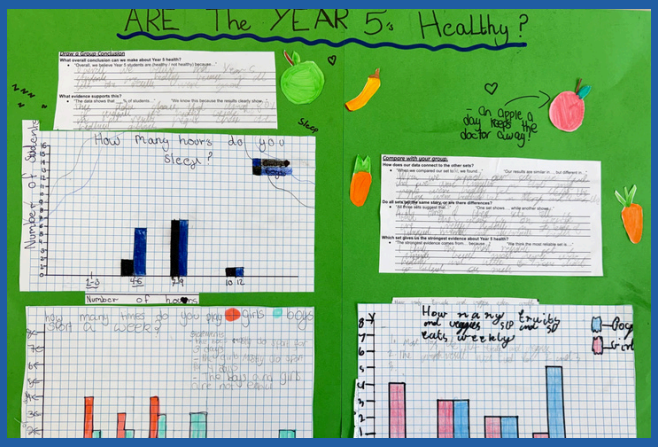

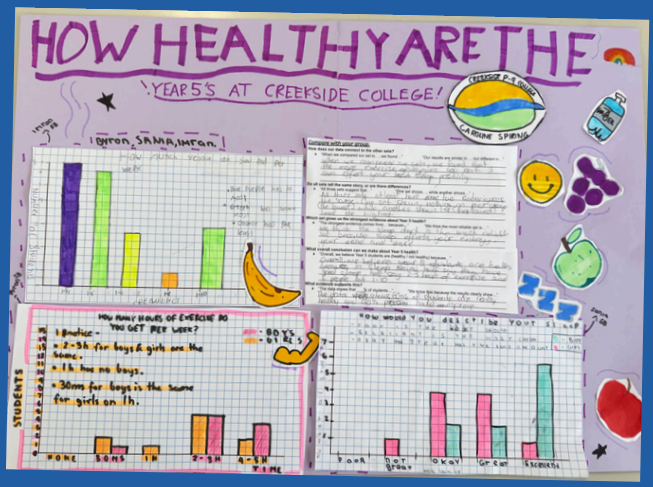

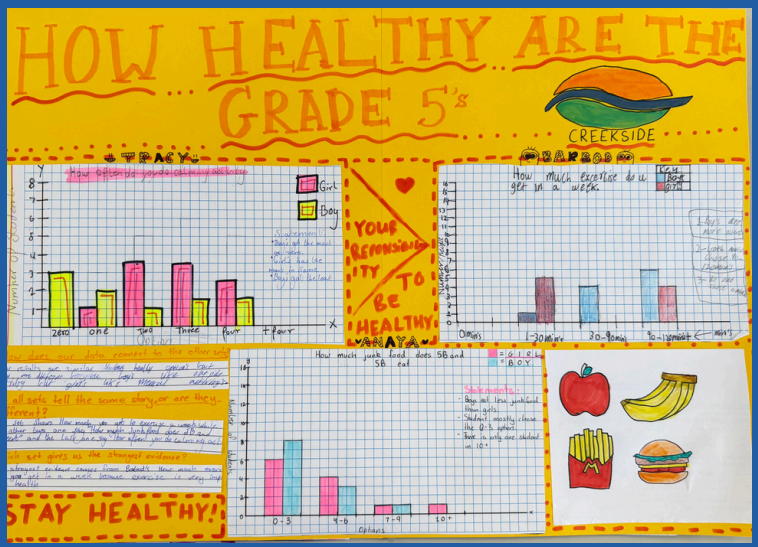

GRADE 5

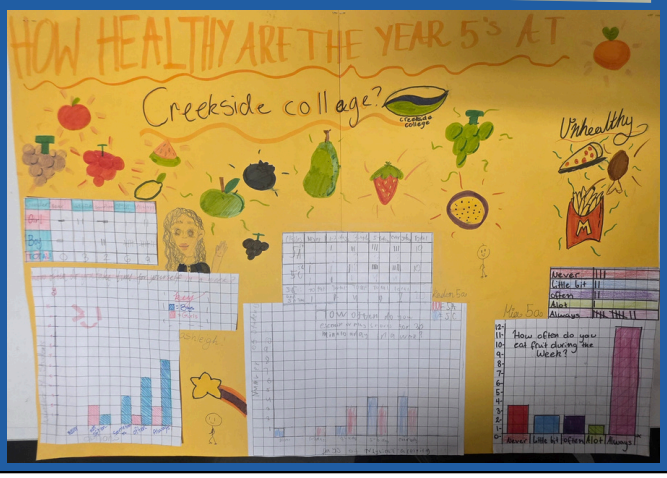

Over the past few weeks, our Year 5 students have been busy working together to investigate just how healthy the Creekside community is! Students planned and conducted their own statistical investigation by collecting, recording and organising data from students within the year 5 cohort. They then used their mathematical skills to accurately represent their findings using appropriate graphs and worked together to analyse the data. Students were able to identify interesting patterns and findings and confidently communicated what their data showed. It has been fantastic to see our Year 5 students working collaboratively, asking questions, analysing information and using mathematics in a real-world context. And it is fair to say that the results are in... Creekside is a very healthy community!

RESPONSIBILITY | ACCEPTANCE | HONESTY | RESPECT

GRADE 6

Over the last month, our grade 6 students have been working diligently to create their own picture story book. Using popular author Shuan Tan as inspiration, the students have been exploring how to effectively use characters, colour and objects to represent symbolic meaning.

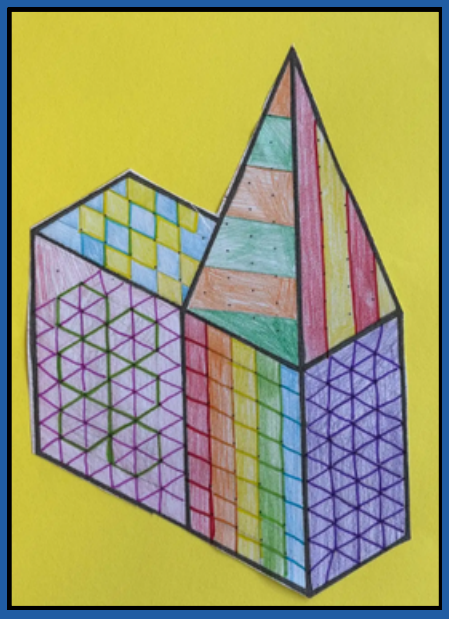

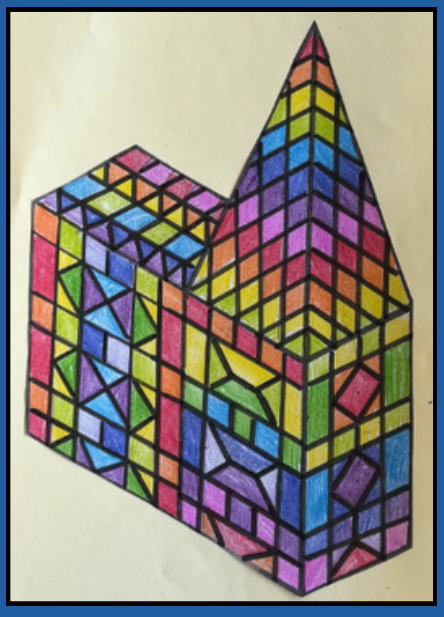

The grade 6's have also been busy exploring and creating their own tessellation patterns as part of our transforamtions unit.

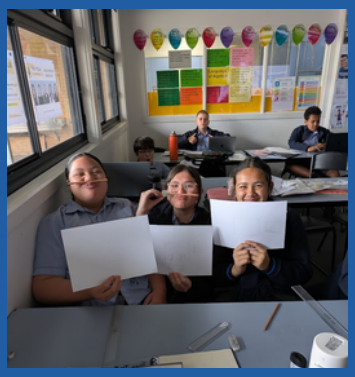

YEAR 7

Students have had a great Term 3, with lots of activities such as Janine Blachford Day, Book Week and Alcott Day. We managed to raise money for some great charities. Many students had their immunisations this term and were all very brave!

This term has been a busy term for interschool sports with Division Athletics, basketball, table tennis and volleyball all taking place.

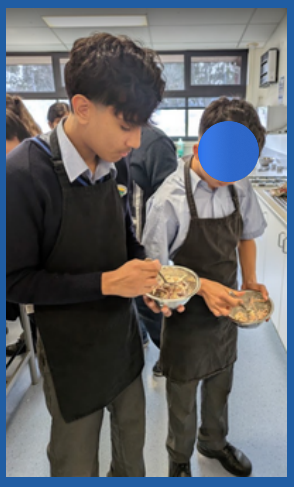

Students have been working hard in their subjects. In Visual Communication, students have been focusing on perspective, ensuring their angles and lines all match up. Students have been making chicken and chips in food tech and working on their prints in visual arts. Student have been learning about air resistance in science by

We have a lot to look forward to in Term 4 including camp!

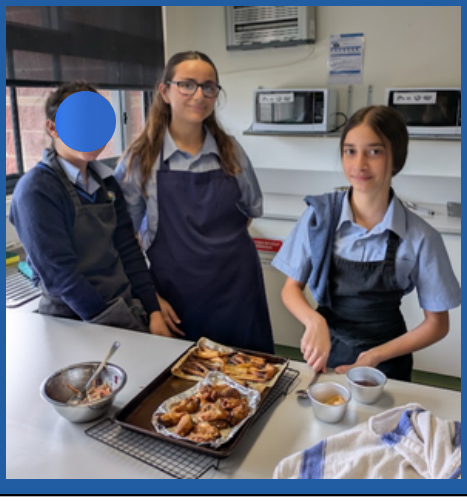

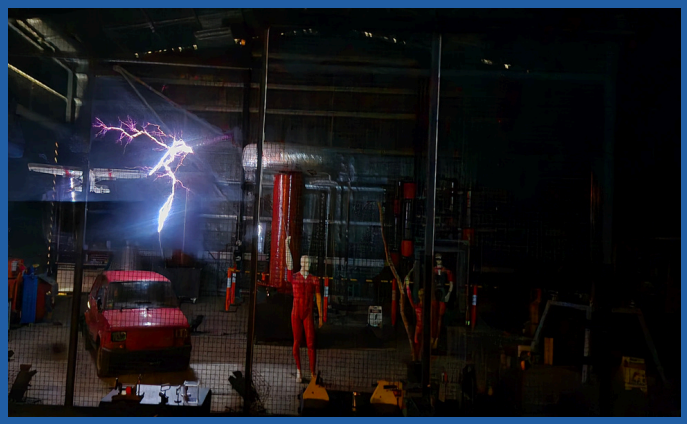

YEAR 8

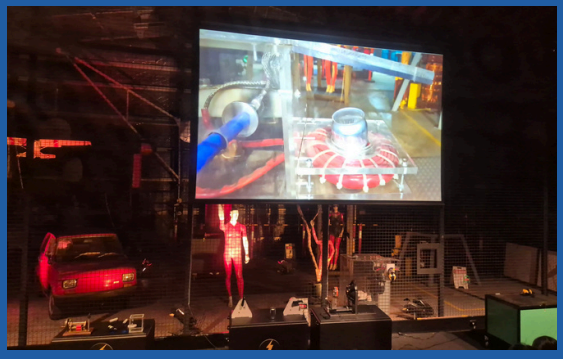

Our Year 8 students recently enjoyed an exciting and educational excursion to Scienceworks, where they had the opportunity to explore science beyond the classroom. Students engaged with a range of interactive exhibits and activities, allowing them to investigate scientific concepts in a fun and hands-on way. It was fantastic to see our students demonstrating curiosity, enthusiasm and a willingness to learn throughout the day.

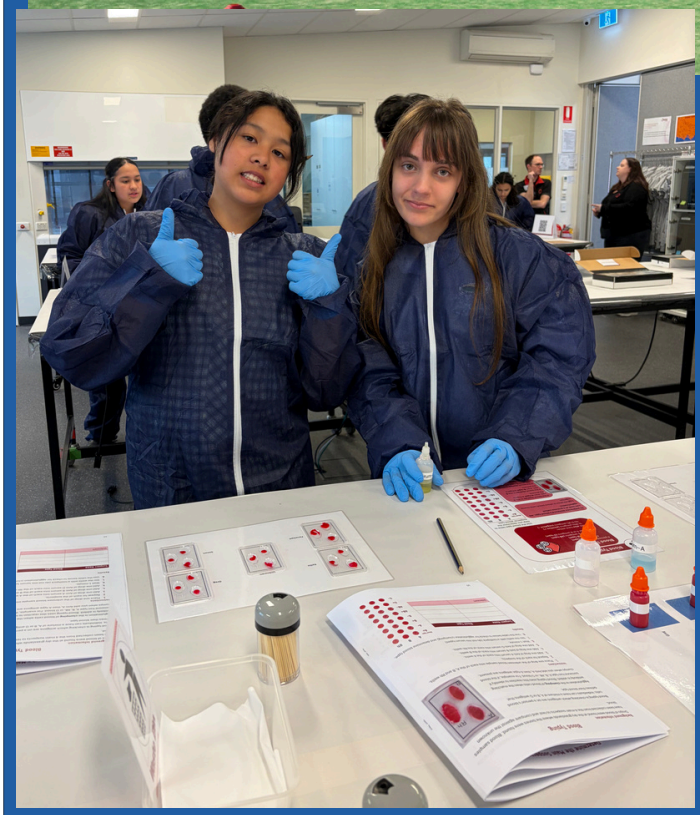

YEAR 9

As always term 3 has been a busy with elective excursions, interschool sports and division athletics. Students have been thinking about their possible future career pathways when making their Year 10 subject selections in preparation for their 2027 school year.

During PE Theory, students have been learning about different styles of sports leadership. As part of their assessment, students were required to plan a mini-lesson focused on teaching a specific skill through a structured drill.
Students then had the opportunity to put their planning and leadership skills into practice by teaching their mini-lessons to our Year 2 and 3 students. This was a fantastic opportunity for our primary and secondary students to interact, build positive connections, and for our secondary students to develop and demonstrate their leadership skills in a practical setting.

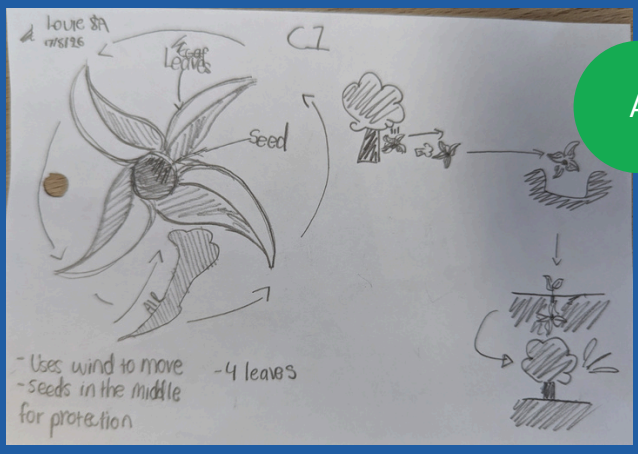

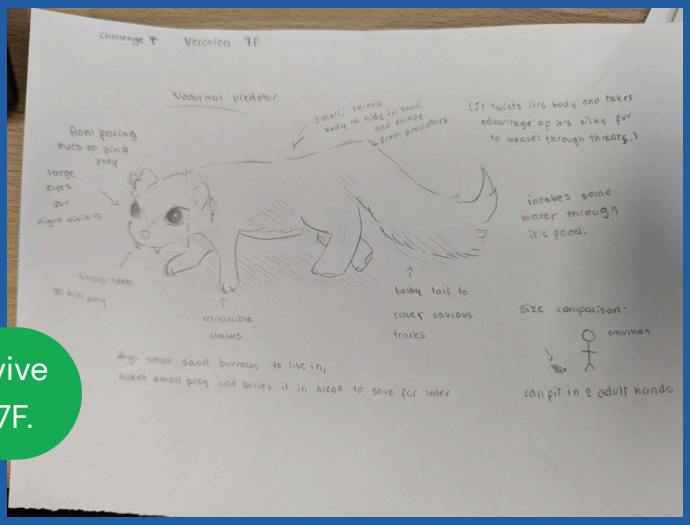

SCIENCE WEEK

During Science Week, students engaged in a variety of daily science challenges and activities, including planting seeds!

Congratulations to all our winners!

Awesome seed design by Louie 8A

Amazing creature designed to survive a hot desert. Well done Veronica 7F.

BOOK WEEK

Book Week 2026 was a huge hit again!
Thank you for your enthusiasm and efforts. From colouring competitions, collaborative posters, Blind Dates with a Book, mystery readers at break times, a scavenger hunt, trivia, bookmark making, quizzes and a Book Parade it has been a full week. There have been big smiles all around.

ALCOTT DAY

Secondary Alcott Events kicked off with a bang at first break with four teachers bravely facing the Water Balloon wrath of our students!

RESPONSIBILITY | ACCEPTANCE | HONESTY | RESPECT

Festivities continued at 2nd Break with the annual Alcott Staff v Students Dodgeball Match taking place in the Gym. The teachers were looking to pick up another win and they made quick work of it with the students down to 1 player remaining in a matter of minutes.

ALCOTT DAY

Our school was full of colour, creativity and fun as students and teachers embraced Crazy Hair/Hat and Yellow Accessories Day in support of Alcott Day.

From wild hairstyles and wonderfully wacky hats to bright yellow accessories, our school community certainly knew how to make a statement!

ALCOTT

RU OK DAY

The college celebrated RU Ok Day on Thursday 10th September.
The theme of the week was friendship, communication and general tips on how to check in on your friends.
Our highlight was the buddy session on Thursday which had all year levels coming together to complete an activity. It was great to see junior year levels mingling with older year levels and building connections.

7-9 INTERSCHOOL SPORTS

Continuing Interschool Sport in Term 3 were all year levels head out for basketball.
Shoutout to the Year 7 girls for winning one of their games by a huge margin. Harjass 7G was amazing, scoring a heap of goals to get the win!

The year 7 boys put together some incredible basketball winning there first two games led by standout performances by the captain Bryce, Nabeel and Amrit, before falling just short in the final game despite rallying from behind down 20 to go on a generational run and cause an unlikely victory against Brookside. The chemistry and teamwork demonstrated by the boys were exemplary and represented Creekside with great pride. It was a great privilege to have the opportunity to coach a wonderful group of players.

7-9 INTERSCHOOL SPORTS

The Year 8 Boys Futsal team had a successful day at the divison event. They made it all the way to the final, but lost in that match. They have progressed through to the region finals.

The boys were able to come together to win the division championship. I want to commend the team for playing hard and sticking together. Well done lads! Onto the next round.

The Year 8 girls worked hard as a team and gave it their all. They were very enthusiastic but unfortunately came up short in both of their games. Shout outs go to Diya and Ayva for being our goal scorers and to our Year 9 helpers Zara and Charlize for organising some great warm-up drills.

YEAR 6 SPORT

In term 3, our Year 6 students had a fantastic time competing in their second lot of Interschool sports this year.

Softball

Basketball

Tennis

Volleyball

Cricket

Representing our school with pride and enthusiasm, the students gave it their all whilst demonstrating great teamwork throughout both days of competition.

PRIMARY DIVISION ATHLETICS

On Tuesday 8 September, 13 students proudly represented Creekside College at the Division Primary Track and Field Finals.

It was a fantastic day of competition, with all of our student's demonstrating determination, sportsmanship and pride as they competed against some of the best young athletes from across the division. Each student represented themselves and our school community with great pride, giving their very best throughout the day.

We were thrilled to see some outstanding athletic performances, with Molly Mabil achieving an impressive 3rd place in the High Jump. Aleigha Romijn also had a remarkable day, taking out 1st place in both the 800m and 1500m events.

A huge congratulations to all 13 of our competitors for reaching this stage of the competition and for representing Creekside College so proudly. Your hard work, commitment and sportsmanship are something to be celebrated.

We wish Aleigha the very best of luck as she progresses to the Western Metropolitan Finals in Term 4. We look forward to cheering her on!

UPCOMING EVENTS

P-4 Swimming Program

Our annual Prep to Year 4 Swimming Program will commence next term. Information about specific times has been posted on Compass.
The year levels will participate in their swimming program on the following dates.
Monday 5th October to Friday 16th October 2026: Years 3 and 4 will have 45 minute daily lessons.
Monday 19th October to Friday 30th October 2026: Prep, Years 1 and 2 will have 45 minute daily lessons.

Year 7 2027 Information Night

On Monday October 12th, we invite all Year 7 2027 students and families to come to our information night, starting at 5pm.
We will have a presentation in the auditorium, followed by a sausage sizzle outside to allow for the opportunity for future families to mingle with othres and ask teachers and student leaders any questions you may have.
Looking forward to seeing you all there!

Year 7 Camp

Lake Dewar Camp will be from 26th October to 28th October in term 4. Students will be participating in multiple outdoor activities such as paddle boarding an the flying fox. It is a great opportunity for students to develop teamwork, communication and social skills.
Camp is also a great way for students to make friends with students from other classes, who they may not usually talk to.
Final payment for camp is due on 5th October.

STUDENT RECOGNITION
GOLD COIN SHOUTOUTS

At Creekside, we have four school values. They are respect, honesty, acceptance and responsibility. If a student displays any of these four school values within the classroom or outside, a teacher can reward them with a Gold Coin. These are gold stickers that are displayed on either a chart in their classroom or in their school diaries. Students can then redeem their gold coins for prizes at the Creekside Gold Coin Shop which happens at the end of each term.

Prep: Golden Khoa (0C), for being honest by handing in money that was found
Grade 1: Lucy Nguyen (1B) for demonstrating respect, by listening to and following instructions from Ms Archer.
Grade 2: Rion Bala (2D) for acting responsibly around others' behaviour
Grade 3: Mila Paaka (3B) for demonstrating responsibility by showing initiative
Grade 4: Melina Hussaini (4A) for demonstrating acceptance, by inviting others to be apart of their activity.
Grade 5: Ashleigh Creighton (5A) displaying responsibility by approaching tasks with a positive mindset.
Grade 6: Emerson Conte (6B) displaying responsibility by showing initiative and cleaning our lovely 5/6 garden area before school
Year 7: Daniel Shurdho (7B) for following teacher expectations with Ms Bennett
Year 8: Inaya Faraz (8G) for demonstrating acceptance by inviting others to be apart of their activity.
Year 9: Alexander Nikolic (9G) for showing respect by keeping the classroom clean.

Second Hand School Uniforms for schools in Melton and Caroline Springs

We are holding a sale of second hand school uniforms at:

Christ Church Hall, 2-4 Unnitt Street, Melton

Thursday 1 October 2026, from 9 am to 2 pm

There will be uniforms for:

Aintree Primary
Al Iman College, Melton
Arnolds Creek
Brookside College
Burnside Primary
Cana Primary
Coburn Primary, Melton
Copperfield College
Creekside College
Deanside Primary

WELCOME TO BIG CHILDCARE

Who are we?

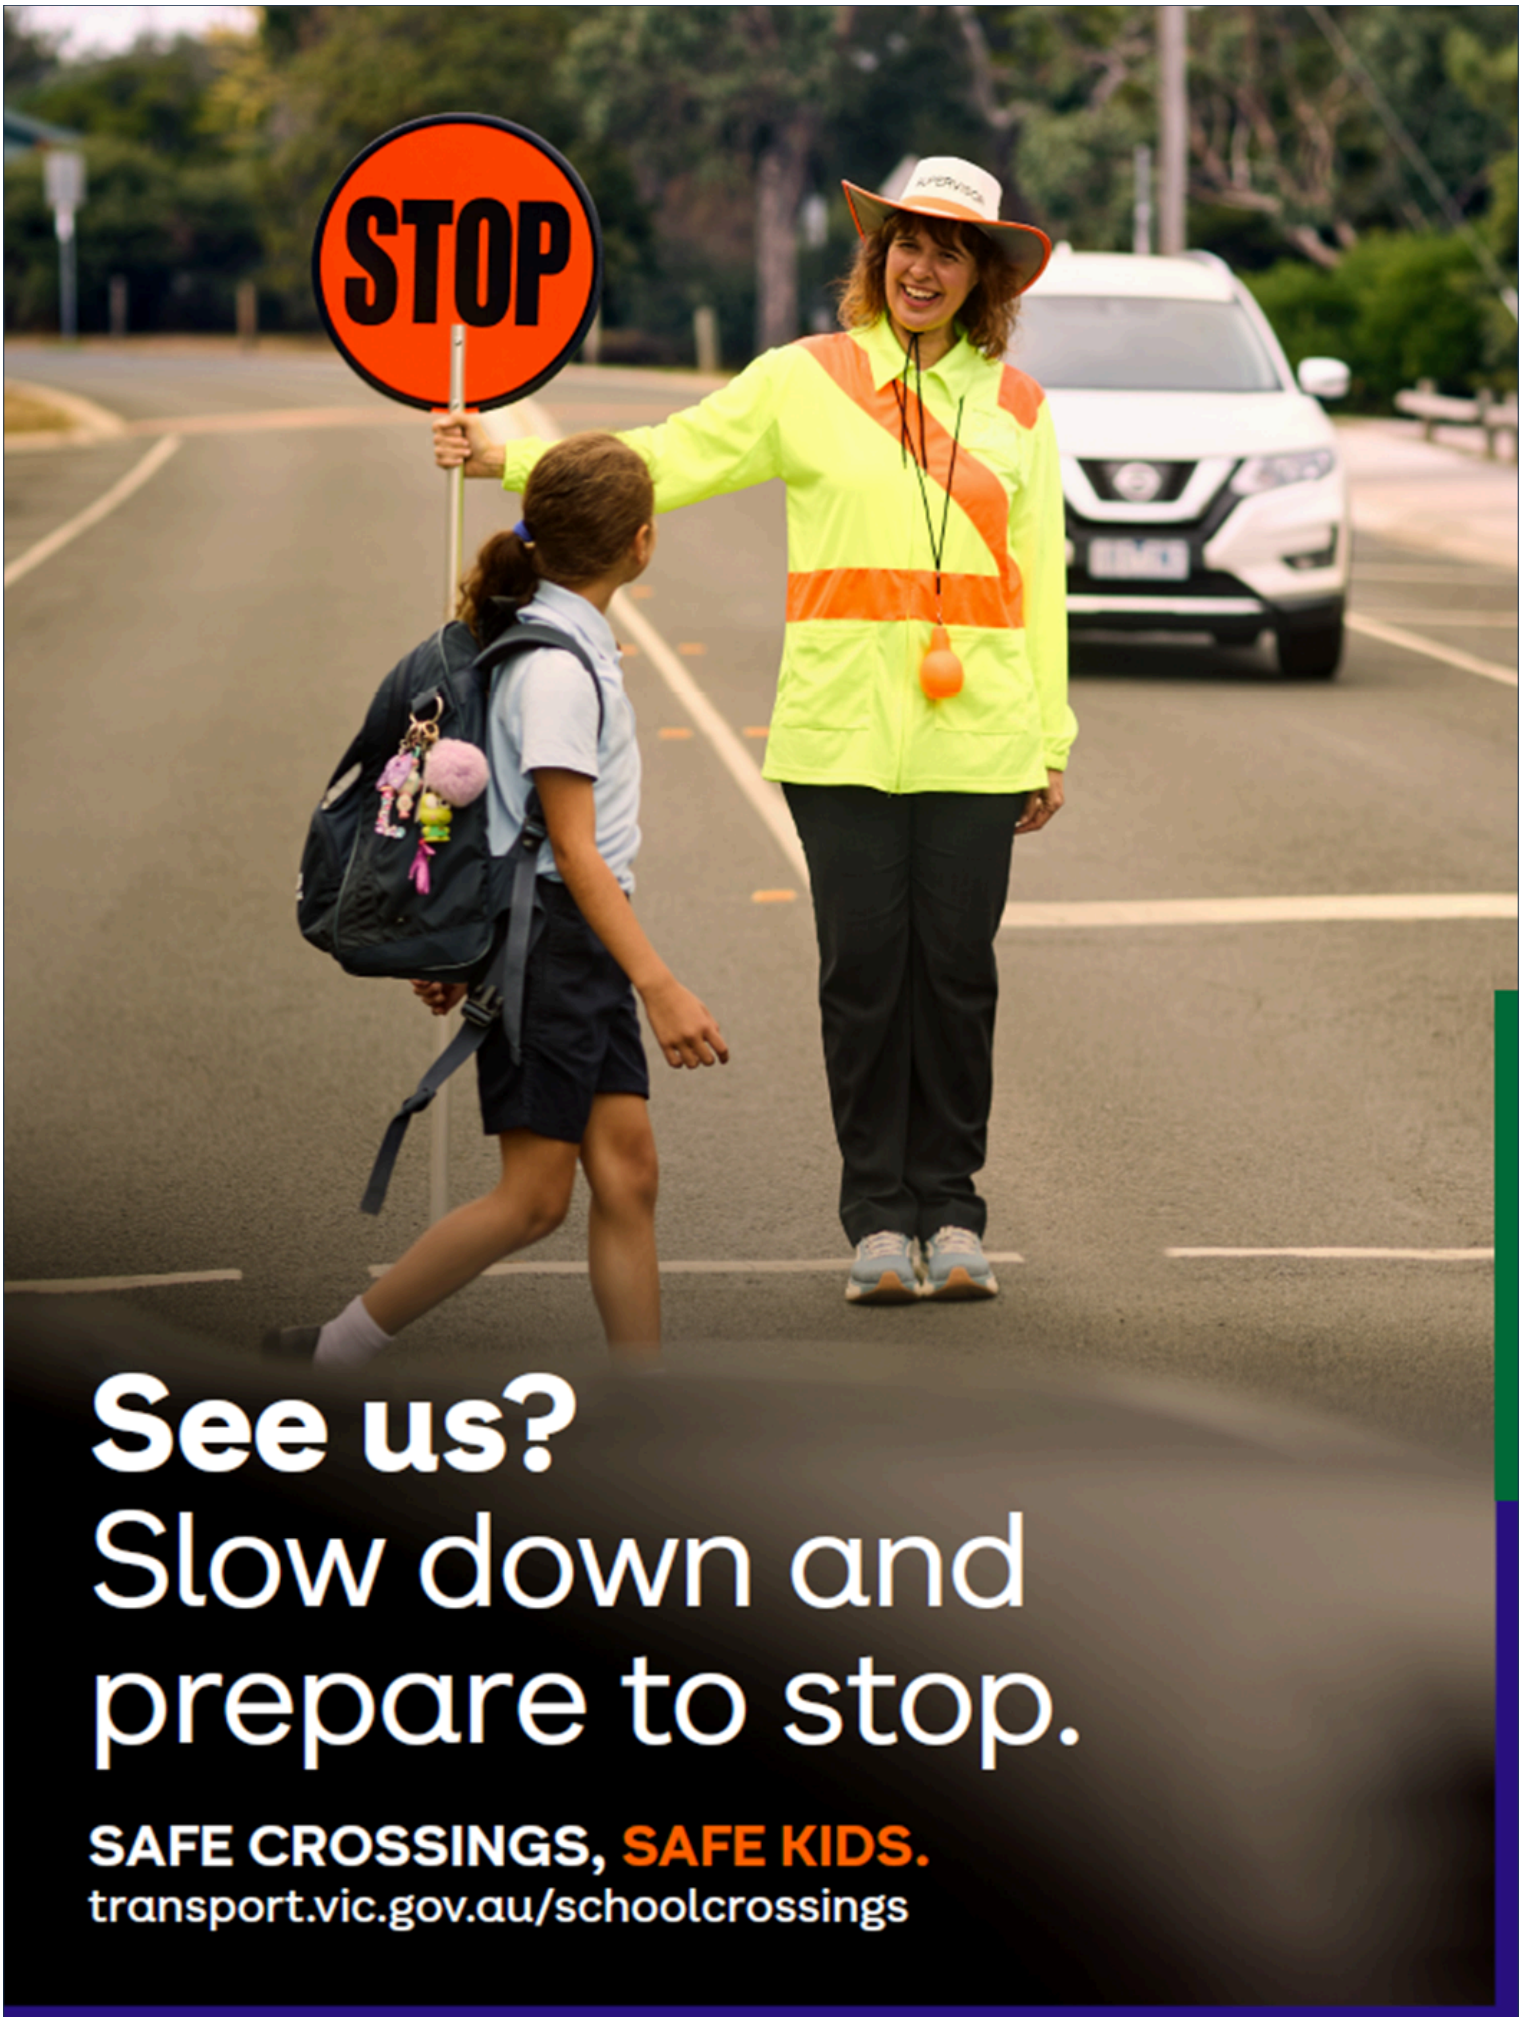

Big Childcare is a trusted Outside School Hours Care (OSHC) provider. Our directors Ted and Sian Hatzakortzian have served families for over a decade in the industry, delivering a unique and holistic service across Australia. But we are more than just an OSHC service! At Big Childcare we pride ourselves on ensuring every child's needs are put first, to give them a sense of belonging and safety, whilst of course having loads of fun!

We can't wait to meet your child, get to know them and ensure they have a great time when they are with us!

What is oshc?

OSHC stands for Outside School Hours Care which your school has outsourced to us because we have expertise in providing Before School, After School, Curriculum Day and Holiday Care. We operate in partnership with schools so that you can drop your children off before heading to work or pick them up after you finish, knowing they are well cared for by our team.

Victory School Programs

Melbourne Victory offers a range of visits, providing school partners the opportunity to develop bespoke football programs that improve rates of physical activity and increase community connection.

Our programs use the power of the Melbourne Victory brand and football as a vehicle for positive social and educational impact. Programs are developed in partnership, with a focus on a prevention and intervention approach that improves health and wellbeing.

Our coaches are experienced in delivering fun football sessions that spark a love for the game and support improved engagement and behaviour across all school settings.

"The program was an incredible success. The coaches related really well to all students and the on pitch language matched the language and learning from our classroom sessions."

- Ben Cunningham, Westgarth PS

MELBOURNE Victory F.C.

Program Offerings

Victory Unites

A focus on the development of leadership skills that support improved student engagement and align with school values. Tailored to targeted cohorts, accredited coaches can deliver a mix of practical and theory workshops that use football as a teaching tool to discuss topics that include:

- Teamwork
- Communication
- Self-esteem
- Goal setting
- Resilience
- Regulation
- Kindness
- Sportsmanship
- Community connection
- Problem solving
- Mental health & Wellbeing
- Respectful relationships
- Employability

Victory Inspires

A focus on providing female students with a safe and welcoming space to develop a love for sport and strengthen social connections. Accredited coaches will deliver sessions that increase rates of physical activity through specialised football and low intensity activity programs, linking in further leadership topics that include:

- Self Awareness
- Empowerment
- Leadership
- Confidence & belonging
- Challenging gender stereotypes
- Respect

Victory Leads

A focus on the development of football skills. Tailored to the skill level of students, accredited coaches deliver fun and engaging sessions based on the key skills of football:

- Dribbling
- Passing
- Shooting
- Receiving
- Possession
- Defending
- Play
- Attacking

We can work with you to develop a program that meets the needs of your school community and budget. Please contact us further to discuss how football can be used to improve the lives of young people.
